## About Emmaus

### **Our vision: A world in which everyone has a home and a sense of belonging**

Emmaus is a homelessness charity with a difference. We don't just give people a bed for the night; we offer a home, meaningful work and a sense of belonging.

For many people who have experienced homelessness, losing their self-esteem can be the most damaging part of their experience. Being on your own, with no support around you can be soul destroying, leaving you feeling worthless.

Finding your way out of that situation isn't easy, particularly when the only options available are temporary fixes, offering a bed for the night but little to occupy your days.

Emmaus is different because it provides a home for as long as someone needs it, in an Emmaus Community. This gives people the opportunity to take stock of their lives, deal with any issues they might have, and often re-establish relationships with loved ones.

“Companion” is the name given to those who live in an Emmaus Community and work in the social enterprise, where they support themselves and one another. There are currently 750 Companions living at 29 Emmaus Communities across the UK.

Rather than relying on benefits, Emmaus uses social enterprise to generate revenue that pays for Companions' home, food and upkeep, as well as providing a small weekly allowance. This is key to restoring feelings of self-worth, showing Companions that their actions make a real difference, both to their own life, and the lives of others.

### **How it works**

Unlike a lot of provision for homeless people, Emmaus Communities offer a home for as long as someone needs it. This includes a room of their own, food, clothing and a small weekly allowance.

In return, we ask:

- That Companions work for 40 hours per week, or give as much time as they are able, in the Community's social enterprises;
- That they behave in a respectful way towards one another;
- That no alcohol or illegal drugs are used on the premises;
- That they sign off all benefits, with the exception of housing benefit.

## Our impact

Emmaus doesn't only have a significant impact on the lives of people who have experienced homelessness and social exclusion, it also brings wider social and economic benefits.

Research carried out in 2012 found that for every £1 invested in an established Emmaus Community, £11 is generated in social, environmental and economic returns.

The benefits included:

- Keeping people out of hospital, and helping them to be safe and well, saved the Department of Health £1,478,506 for NHS and emergency service costs;
- Emmaus saved local government £2,447,612 which would have been spent on hostel accommodation, drug and alcohol services and landfill;
- Keeping people in work and out of prison saved the Ministry of Justice £778,435.

The report found that Emmaus Communities successfully provide a place for people in vulnerable housing situations to rebuild their lives by offering them meaningful work and support. Significant benefits were linked to substantial improvements in Companions' physical and mental health, including reductions in substance misuse.

## The Emmaus UK federation strategic plan

The Emmaus UK federation has recently developed its 2015-2020 Strategic Plan, providing clear direction for where the federation should be by 2020. The plan's focus is on improving service provision to Companions, becoming financially robust and better known in the UK, and increasing the number of Companion places to meet the ever increasing demand.

By 2020 we will have:

- 1000 Companion places
- 100 opportunities for non-residential Companions
- Stronger social enterprises
- Structured support and training plans for all Companions
- Companions on all of our boards and committees
- More Companions moving into employment
- Started campaigning for change
- Better recognition for the fantastic work we do

## The Emmaus Brighton & Hove Community

The Emmaus Community in Portslade is home for 53 Companions (residents), men and women who have experienced homelessness. Emmaus provides Companions with a safe home, meaningful work, training and rehabilitation.

The Community operates six social enterprises - five shops which sell secondhand goods including donated furniture, household goods, clothing, bric a brac and garden items. There is also a very popular café, Revive.

One of the 5 retail shops is located on the south coast road in Southwick and it is at this shop that we are seeking to recruit a part time Assistant Retail Manager.

The money raised in the social enterprises helps to support the work of the Community. Through their work and contribution to the Community's activities, Companions develop the skills and confidence to rebuild their lives.

Local residents and visitors are welcome and encouraged to use the facilities, shop and share the grounds with the Emmaus Community in Portslade. This engages Emmaus with the wider community enabling visitors to learn more about the Emmaus movement, understand its ethos and, more importantly, engage with Companions.
